Dear Volunteer Team Leader,

United Way of Santa Barbara County is once again uniting our community for a day of caring, service, and development. The 19<sup>th</sup> Annual **Day of Caring** will be held on **Saturday, September 25<sup>th</sup>** from **8:00 a.m. to 1:00 p.m.** Due to your past commitment to improving lives of people in our neighborhoods, the United Way of Santa Barbara County specially invites you to “lend a hand and build a community!”

Over 1,200 volunteers will begin the day with a lively and inspiring Kick-off Breakfast at the **Page Youth Center**. After the rally, volunteers will head out to various work sites throughout Santa Barbara County to assist local charities with activities such as sorting food, painting, building adobe bricks, planting trees and gardening. Local agencies greatly appreciate the assistance provided by our volunteers!

*“Thank you and all your volunteers so much for all the hard work they did for us on the Day of Caring. I have never seen people work so hard. We have been trying so hard for the last year to get our garage cleaned and organized, but just have been unable to find the time in our busy schedules to get it done. They all did such a fantastic job, that we hardly recognize it.”*  
*-Susann Casort, Eastside Family Dental Clinic*

Your efforts this year will help to significantly enhance the lives of local people in need. We would like to invite you to join with friends, family, co-workers, and other community members to participate in the Day of Caring. There are two ways you can register: as a team in a group of 2 or more people (family, friends or workplace team); or as an individual in which we place you with a group of volunteers.

President Obama has challenged all Americans "to help lay a new foundation for growth in this country by engaging in sustained, meaningful community service." Join us by giving back to your community on September 25<sup>th</sup>!

Please review the enclosed documents and make copies as necessary. The forms and additional information are also available on our website at [www.unitedwaysb.org/dayofcaring](http://www.unitedwaysb.org/dayofcaring). Early registration closes September 17<sup>th</sup> however walk-ins are always welcome!

If you have any questions, please contact us via telephone at 805-965-8594 or via e-mail at [dayofcaring@unitedwaysb.org](mailto:dayofcaring@unitedwaysb.org).

Thank you,

Juli Askew  
Day of Caring Project Manager

P.S. Please fill out and return the team forms, and have each volunteer complete a waiver. Hang the poster in your break room with team leader contact info to encourage additional team members to contact you.
