Dear Steve,

On behalf of the Sisters, staff, mothers and children, please accept our heartfelt thanks for including St. Vincent's in United Way's Day of Caring. It was a joy working with all of your volunteers for the benefit of the programs at St. Vincent's. Thank you!

It is only through the generosity of individuals like you that we are able to provide housing and services for single Mothers moving from welfare to work. Their success depends on having a safe environment for themselves and their children where they can receive the counseling and planning necessary to redirect their lives. The success stories we witness every day are both an encouragement and inspiration to all of us at St. Vincent's.

We are grateful to you and United Way for supporting our programs. Through your time and hard work, you share in our mission personally.

God's Blessings,

Sr. Alicia, DC
