Re: Our Appreciations!

Dear Day of Caring Team Members,

On behalf of the Dos Pueblos High School Parent-Teacher-Student Association and the Beautify Dos Pueblos Committee, I wish to express our heartfelt thanks to you for including us as a recipient work site for the recent Day of Caring held on Saturday, September 15.

*Thanks to hardworking United Way, Goleta Valley Beautiful, and Beautify Dos Pueblos volunteers, the following were accomplished on this one day:*

- A total of 46 new trees were planted within with gopher cages and weed barrier, in four separate locations.
- Temporary irrigation systems to supply all new trees were installed.
- A total of 175 cubic yards of mulch were wheeled into position, placed, and spread.
- Multiple new planting beds all across our campus were weeded and mulched.
- Areas ALL around campus were cleaned by picking up trash, raking and sweeping.

As you probably know, years of construction had left our school grounds in a pretty dismal condition. Over the past year and with the help of Goleta Valley Beautiful and other **wonderful organizations like yours**, we are steadily transforming our campus into a green, scenic, and environmentally sensitive area of which we and the community can again be proud. Our students, administration, faculty, and families all thank you for caring!

With Sincere Appreciation,

Mimi Applegate Elder  
2007-2008 Secretary, Beautify Dos Pueblos
