Thank you!

Each year, United Way of Santa Barbara County raises funds right here in our community to help our neighbors in need. Most of these funds are raised through workplace campaigns – employee charitable giving campaigns – in which individuals are given the opportunity to give easily through payroll deduction.

But we need **your help** in making these campaigns fun and in rewarding those who generously give back to their community each year. United Way of Santa Barbara County has a donor base of 15,000 people from throughout the county. Your gifts of certificates, goods, and passes will be used in employee campaigns to reward these donors! Your charitable contribution is **tax deductible** and will be **recognized** among the workplaces in which our campaigns are run.
