

The Time to Join is Now!

We thank our local community for the amazing support during this critical time. Volunteers are the life blood of our organization and we are always in need of new volunteers to support during and after disaster.

Right now, the most important thing you can do is start your volunteer application with us. Depending on the needs of this current response, you will be contacted with further information.

All prospective Red Cross volunteers need to complete an online application. Follow these steps to become a Red Cross volunteer:

Create your New Member Profile

- Visit: redcross.org/volunteer

- Follow these steps to complete your profile
 - Fill out all profile information marked with an asterisk
 - Read and agree to Red Cross policies
 - Authorize a background check

Once completed, you will be contacted with next steps depending on the needs of this disaster response. Please be patient with us during this busy time, and we look forward to welcoming you to our Red Cross Family!

If you have questions please contact Volunteer.CentralCA@Redcross.org

Again, we thank you for your willingness to lean in and help!
