

**Southern California Wildfire Flood Fund
UWSBC UWLA Partnership
Santa Barbara County Funded Agencies**

** Please Note: The following agencies responded with full and complete applications to United Way's Request for Proposals (RFP) by the applicable application deadlines.

Grants awarded through the Southern California Wildfire and Flood Fund were restricted toward each organization's efforts to stabilize the economic and housing situations of low-income families affected. Eligible funding categories include relocation and move-in costs, housing and rental assistance, workforce development services and more.
