WHAT IS YOUNG LEADERS SOCIETY?

Young Leaders Society (YLS) is a United Way affinity group that promotes philanthropy and volunteerism among young professionals in Santa Barbara County. YLS hosts professional development, networking, and volunteer events, as well as fundraisers that support United Way and the ongoing work of United Way of Santa Barbara County's educational initiatives.

HOW CAN I GET INVOLVED?

- Become a member - Anyone under age 45 who donates \$25 per month to United Way qualifies as a YLS member! To donate today, visit unitedwaysb.org/donate and check the YLS affinity group box.
- Become a friend - Anyone who attends one of our events and provides us with their name/email can be a friend of YLS.
- The great news is that once qualified to join, members do not have any expected requirements. YLS is designed to offer something different for all its members, regardless of level of involvement or area of interest. You can sign up for multiple service projects, attend events, network with fellow YLS members, take advantage of the professional development, or simply be recognized as a Young Leader.

WHAT ARE THE BENEFITS?

- Members and friends receive invites to professional development and networking events, social mixers, and volunteer opportunities.
- Members receive special event invites and other event benefits like free or discounted admission and extra raffle tickets.
